Pre-Order your FBC Church Memento Now through May 15, 2009!

In commemoration of our 150 years together, the Sesquicentennial Committee is pleased to present to you this memento, a customized, hand painted relief sculpture of our church designed from a photograph taken by Charles Hartis. The result is a collectible, decorative piece that is 3 ½" in size. It comes attractively boxed with a matching stand, so that it can be displayed throughout the year or used as an ornament at Christmas. This is something you will want to have in your home, and it would make a great gift for friends and family who grew up here or have fond memories of FBC!

<u>We will be taking Memento pre-orders through Friday, May 15</u>

Mementos ordered by this date will be $15 each.
