

Spiritual growth is about “doing” but it is also about “becoming” ...

- Becoming a life long learner about God’s purpose for the world
- Becoming a faithful “family” that lives as Jesus taught
- Becoming servants with a vital ministry in this world

This life-long adventure takes patience, commitment, and intentional focus.

Our purpose in Christian learning is not to tell others how to live and believe. It is rather to help discover in Scripture and relationship with each other how God wants us to live.

**Join us Sunday mornings at 9:15 am.
We invite you to journey with us!**
