

FBC Youth 2022 Spring Calendar

Please note that some calendared items may change based on the current COVID situation as each date nears. We are committed to providing a great, fun, and formational Spring Youth Ministry calendar, though we will also continue to follow the guidelines of the FBC COVID-19 Task Force as we go. Let Chris know if you have any questions about the Spring Youth Ministry Calendar

Sunday School—Sunday mornings 9:15-10:15am

Sunday School is a weekly time to gather, laugh, and grow. We will meet outside as often as possible, but we have the youth room available when needed.

Sunday Night Youth—Sunday evenings 5-7pm

Youth Group on Sunday nights will feature lots of games and some small group check-ins. We want to get you moving, laughing, and having fun with each other before circling up in small groups to be a community with one another. At 6pm, we'll transition to Youth Choir, using music as a door for additional spiritual formation while practicing songs for worship and next summer's trip.

Wednesday Night Open Gym and Café—5:45-7pm

From 5:45-7pm, the gym and café will be held as a space for youth and youth leaders only. Bring your dinner or a snack, and homework to do in the café, or play whatever you want in the gym. The time and space are yours!

High School Retreat is the best thing we do all year. There, I said it.
